DESCRIERE

Hushtec Acoustic Tent 1.0 este o incinta acustica mobila de inalta performanta pentru controlul zgomotului la sursa. Folosita frecvent ca statie de taiere, permite echipelor sa taie, slefuiasca sau proceseze materiale pe santier fara a perturba zonele inconjuratoare. Construita din panouri Hushtec Premium si acoperis transparent, ofera pana la 66 dB reducere zgomot. Usor de deplasat si se pliaza pe un singur palet.

CARACTERISTICI CHEIE

- Up to 66 dB noise reduction • Hushtec Premium panels + transparent acoustic roof • Mobile – castor wheels for repositioning • Folds to single pallet for storage/transport • Fire-retardant | UV-stable | No fibreglass
- 90% recyclable materials • Custom branding available • Rental fleet ready • Compact format cutting station
