

Yellow Hi-Vis Walkway Matting

Hi-Vis PVC Checker Plate – Safe Pedestrian Walkways on Site

SKU: yellow-hi-vis-walkway-matting

PROTEGMA

Commercial Partner Beck Proguard®

DESCRIPTION

Yellow Hi-Vis Walkway Matting is a high quality, high-profile checker plate PVC matting. Excellent resistance to oil, grease and chemicals. The diamond embossed pattern and flexible PVC make it ideal for long loose-lay walkways. No fixing required due to its own weight, yet easy to reposition. Odourless and lighter than rubber.

KEY FEATURES

Hi-vis yellow – clear visual warning for pedestrians
Excellent resistance to oil, grease and chemicals
Suitable for wet and dry areas
Excellent anti-fatigue properties

Easy to clean and hygienic
High thermal insulation and sound deadening
Excellent durability & resilience
Attractive checker plate finish – odourless
